

Ramos Fleet Oil 30

Product Description:

Ramos Fleet Oil is extra high performance heavy-duty gasoline and diesel engine oil for longer oil and engine life in turbo and non-turbocharged engines. Designed for fleet use. Additionally, for heavy duty transmission applications, meets the performance requirements of Caterpillar TO-2 and Allison's C-4

Application:

- Recommended for mixed fleets combining large over-the-road diesel trucks , and smaller diesel and gasoline fueled light trucks and passenger cars.
- Suited for use in heavy construction, mining, or quarry operations- in engines, transmission, and hydraulic systems.
- Recommended for agricultural equipment with diesel or gasoline engines

Features:

- Has excellent wear protection that promotes engine durability
- Low ash content helps minimize formation of deposits and keep intake ports clean
- Outstanding oxidation resistance to help maximize service life
- High dispersancy-detergents protects against engine sludge and varnish deposits

Typical Properties of Ramos Fleet Oil 30

	Test Method	
Product Code		BR1951
Gravity, API	D1298	27.2
Viscosity		
@ 100 C cSt	D445	10.9
Viscosity Index	D2270	141
Flash Point, (Fahrenheit)	D92	450
Pour Point, (Fahrenheit)	D97	0
Neutralization No. TBN-E	D2896	7.3
Sulfated Ash, %wt	D874	1.0
